
Peacock Dress sold by Abba Thiebaud

Woot! My first win at BidSL!

I won a Peacock dress by Abba Thiebaud. It is a beautiful dress and I got it at a steal (thanks Abba!). The dress came as a package with several variations of flexi prim skit lengths and top cuts that let my new dress go from formal to flirty sexy.

The dress is well made, unique, and has a perfect fit. I give the Peacock dress and it's seller Abba a 10 out of 10 rating.

Thank you Abba for making my first win a good one. See me in my new dress below.
